Subject: Visit from WaterGen

Wanted to give you all a heads up that representatives from WaterGen will be visiting Cincinnati Thursday afternoon-Friday morning next week (Aug 17-18). I'll send an agenda by the end of the week, but wanted to give you a heads up. The rough plan for now is to start with a presentation from Watergen (with q&a) at AWBERC and then visit the T&E facility on Thursday, then discuss our proposed statement of work on Friday morning.
